School Council Elections 2022 – a call for nominations

An election is to be conducted for members of the School Council for Ringwood Heights Primary School.

All government schools in Victoria have a School Council. They are legally formed bodies that are given powers to set the key directions of the school within centrally provided guidelines.

There are 3 possible categories of membership:

- * A mandated elected parent category,
- * A mandated elected Department employee category. The principal is automatically one of these members,
- * An optional Community member category. Its members are co-opted by a decision of the council because of their special skills, interests or experiences

The Notice of Election and call for nominations for School Council is included with this newsletter. Interested members of Ringwood Heights Primary School community are asked to consider nominating for vacancies on School Council for the next two year period. All you need is the desire to work in partnership with others to help shape the school's future.

Vacancies:

- * 4 parent members of council
- * 2 Department of Education and

Nomination forms for the vacancies on School Council are available from the Office. If you are interested and cannot come to the school to collect forms, we would be pleased to receive a telephone call from you requesting a form and we can send it home with your eldest child.

Please note that nominations must be in by **4.00pm on Friday 18 February**.

In the event that there are more nominations received than there are vacancies, a ballot will be conducted with the ballot closing at 4.00pm on Friday 4 March.

If you are interested in becoming a School Councillor or require further information about the process, please contact me.
