We would like to acknowledge the Wurundjeri Woi Wurrung people who are the Traditional Custodians of this Land and Waters and pay respect to their Elders past, present and emerging.

End of Term

We have completed a very busy and successful Term Two. Many thanks to the dedicated efforts of our staff and congratulations to all of our students for their achievements across many aspects of their learning. The opportunity for students to reflect on these achievements and present their work to parents with the guidance of teachers has been hugely successful.

Thank you for your support to attend and follow the extraordinary rules in place to access our school buildings. We truly thank you for your patience and understanding.

We eagerly anticipate Term 3 and the experiences being planned. We are looking forward to working with Dance Mob as we all discover Indigenous dance together. We hope a final end of term celebration with the school community will be able to take place – we will keep you informed on what this may look like closer to the time.

Other exciting activities next term include LT3 camp, LT4 public speaking, LT1 & 2 swimming programs as well as LT3-4 school athletics, a whole school mini Olympics and a “Books for Life” performance for all students. We are excited to be able to plan for these experiences and look forward to seeing the students engaged in these wonderful opportunities.

Next term we are also excited to be welcoming Pinemont Kindergarten on site. Pinemont are having some huge outdoor renovations taking place and they will be relocating to our school for the term. The kindergarten programs will operate from the Multi-Purpose Room in a shared use capacity with OSHClub. This will be a fabulous opportunity for everyone to make connections and get to know one another. The kindergarten students will have many opportunities to visit our learning spaces and join in with some of the learning programs including library and specialist classes. Some of our students may also be able to join in with some supported activities like the buddies program.

OSHClub will continue to operate as usual as will the school timetable.

A reminder that school will be dismissed at 2.30pm tomorrow (Friday 25th June).

I would like to wish all families a safe and relaxing school break and we will see you all back on Monday 12 July.

Maroondah Positive Education Network

During the month of July, RHPS will be involved in a partnership between The Maroondah Positive Education Network, Eastland and URStrong to create displays on *Diversity* and *Friendship* as part of the The Friendship Ninja Zone at Eastland.

While our setup date is TBC, if you find yourself at Eastland, feel free to have a look at how Diversity is considered at our school and our students' thoughts on the connection with Friendship.
